Brief Report on 'ROYAL CHARTER DAY' on 9th September, 2023'

Royal Charter Day was organized at 'Engineers' Bhawan' of The Institution of Engineers (India), Bareilly Local Centre.

It was started with the welcome address by chairman IEI, Bareilly Local Centre, Er. Raj Goel, FIE, who introduced the Royal Charter Day-2023 that The Institution of Engineers (India) celebrated its Royal Charter Day on September 9, 2023, with great enthusiasm. This significant occasion marked the anniversary of receiving its Royal Charter in 1935. Engineers, professionals, and students gathered to honor the institution's rich heritage and contributions to the field. The event featured insightful seminars, technical discussions, and presentations, highlighting the role of engineering in societal progress. Eminent engineers were recognized for their outstanding contributions. The day served as a platform to promote innovation, collaboration, and excellence in engineering, reaffirming the institution's commitment to advancing the field for a brighter future.

Also Er. P.K. Madhwar, MIE, Honorary Secretary, IEI, BLC explained on Royal Charter Day that the Institution of Engineers (India) Royal Charter Day was celebrated on September 9, 2023, with great fervor and pride. This momentous occasion commemorated the granting of the Royal Charter in 1935, signifying a century of engineering excellence. Distinguished engineers, professionals, and aspiring minds came together to honor the institution's remarkable journey. The day featured illuminating seminars, technical symposiums, and presentations, shedding light on the pivotal role of engineering in shaping our world. Eminent engineers were felicitated for their exceptional contributions, inspiring the next generation. This celebration underscored the institution's commitment to fostering innovation, collaboration, and excellence in engineering, ensuring a brighter tomorrow.

A galaxy of speakers was present to express their views during the Royal Charter Day 2023, as listed:

1. Er. K. B. Agrawal, FIE, Founder Chairman, IEI, BLC
2. Er. Suresh Sundrani, FIE, Past Chairman, IEI, BLC

Er. P. K. Madhwar, FIE, Honorary Secretary of IEI, Bareilly local centre gave Vote of thanks to all speakers and all participants, for sparing their valuable time and making the Royal Charter Day 2023 a grand success.

Er. P. K. Madhwar, FIE
Honorary Secretary
IEI, Bareilly Local Centre
